Why Support Toast of the Town?

Funds raised from Toast of the Town will make a meaningful difference in the lives of those less fortunate in our community, by supporting a myriad of programs within the agency that engage everyone from babies to senior citizens and innovative programs for individuals with special needs, art programs, sports and recreation programs. There has been an influx of requests for financial aid for our early childhood and camp programs, we have focused on scholarships and financial aid as one of the primary recipients of the funds raised.

A few of the key benefits that you would receive through your sponsorship opportunity include:

- Prominent listing on event marketing materials including banners, flyers, website, etc.
- Feature in the JCC annual report, e- newsletter and event publications.
- One complimentary ticket to Toast of the Town event.
- Name displayed on Step & Repeat banner.
- The opportunity to help us to help the community.

About JCC MetroWest

JCC MetroWest enriches the lives of thousands of people of all ages and all backgrounds.

It costs \$17 million a year to keep the JCC open 96 hours a week, 52 weeks a year, as we offer hundreds of programs, services, and activities to meet the diverse needs of the community at large.

- We are committed to providing 23,000 kosher meals a year for seniors in Essex, Morris, and Union counties in New Jersey.
- We are committed to providing individuals with special needs the opportunity to participate in JCC life to the fullest extent of their ability; as well as providing their families and caregivers with support, childcare, and respite.
- We are committed to providing \$260,000 in scholarship and financial aid so that families in financial distress can send their children to pre-school and summer camp.
- We are committed to providing support groups for individuals facing crises in their lives.
