JCC MetroWest Exploration Camp

Grades K–2

Week 1 • Learn to Swim

Get ready for a summer of fun in the water! Learn to swim or enhance your swimming skills. Children will be evaluated for appropriate levels. Water safety is included with every lesson.

Week 2 • Abracadabra!

Are you a wizard and love to make objects disappear? Join us for a week of magic that will not only impress your friends and family, but surprise yourself!

Week 3 • Checkmate

If this is your first time playing chess or you already know a move or two, then this is the week for you! Learn all about the game of chess, one of the most popular and challenging strategy games.

Week 4 • Lego®

Put building skills to the test. Experience Lego® building like never before. Create skyscrapers and animatronic robots and so much more! This week will bring out your inner engineer.

Week 5 • Animal Adventure

Experience the world like never before from Africa to Turkey. You will get up close and personal with animals from frogs to snakes in a fun and safe environment featuring the Turtleback Zoo. Welcome to the Animal Kingdom!

Week 6 • Party Time!

Join the party with this special week of fun-filled games, projects and so much more! Children will enjoy dressing up for Pajama Day, Thanksgiving Day, and Birthday Party Day to name a few. They will enjoy special treats and prizes along the day!

Week 7 • Sweets & Treats

Do you have a sweet tooth or just love cooking? Spend the time making delicious desserts from an unconventional way on how to make a s'more to making your own homemade ice cream.

Week 8 • Sports Palooza

This week will feature A-Money and Go2Soccer! It will be filled with obstacles and fun-filled activities including basketball, soccer, and much more! Children will cheer, chant, and yell for their team!

Grades 3–6

Week 1 • Improve your Swim Skills

Get ready for a summer of fun in the water! Learn to swim or enhance your swimming skills. Children will be evaluated for appropriate levels. Water safety is included with every lesson.

Week 2 • Abracadabra!

Are you a wizard and love to make objects disappear? Join us for a week of magic that will not only impress your friends and family, but surprise yourself!

Week 3 • Checkmate

If this is your first time playing chess or you already know a move or two, then this is the week for you! Learn all about the game of chess, one of the most popular and challenging strategy games.

Week 4 • Lego® Architect

Take a “crash course” in demolition derby, design a Mighty Metropolis, challenge the battle Track, build and race a Locomotive faster than a speeding worm drive. Explore concepts in physics, mechanical engineering, structural engineering, and architecture while playing with your favorite creations.

Week 5 • Animal Adventure

Children will meet animals from around the world that include alligators, pythons, tortoises, lizards, tarantulas, and many more surprises! Explore their habitats, survival strategies and relationships with humans.

Week 6 • Wild About Art

If you enjoy crafts, do it yourself projects, and mixed media then this is the week for you! You will be using your imagination and creativity to create one of a kind master pieces.

Week 7 • Gaming & Animation

Want to create your own animation videos? Through stop motion animation you will be able to bring inanimate objects to life. Utilizing software, you will be able to create your own digital videos using basic materials.

Week 8 • Sports Palooza

All you need is sneakers and good sportsmanship to enjoy this week! Come join us for a game presenting A-Money and Go2 Soccer. You will learn how to work in teams, build strategy, and make new friends along the way.
