A Message from the Director

Dear Participants, Families, Caregivers, and Professionals,

Welcome to our 2021-22 program guide! This past year has definitely looked different than past years, however we’ve continued to offer our programs virtually and keep our participants connected to our JCC Community. In past messages, I have shared that my favorite aspect of our program is watching our participants learn and grow while becoming a part of our inclusive community center! This came to a dramatic halt in March, 2020 and we were forced to get creative and reimagine ways to deliver programs and keep our participants working towards their goals. What I learned is that our community goes way beyond our physical building. Our incredibly talented and dedicated staff shifted their focus and brought our interactive programs to the screen while teaching our participants how to access community resources in new ways. Our programs have become a lifeline for many of our individuals and continue to provide consistency and structure during these uncertain times.

We were able to successfully re-open our Day Habilitation program last October at a reduced capacity and with many COVID-19 safety protocols in place. While we were only able to run for 6 weeks (due to mandatory closures issued by the NJ Division of Developmental Disabilities), we feel proud that we could offer safe, in person services to those in our program who wanted to return, while continuing to offer our virtual programs at the same time.

Our evening programs continued virtually offering Ladies Night, Guys Night, Game Night and Yoga, all from the comfort and safety of home. Even our Sunday trips went virtual where we were able to explore venues beyond our local community such as Paris, Mt. Everest and amusement parks around the world!

We’re not sure what this next year holds in terms of the way we provide programs, but we do know that no matter what comes our way, we will be able to continue to provide services and connections to our participants. As you turn the pages of this program guide, we hope that you will find inspiring programs from which to choose. While we hope to return to in person programs, we may need to shift gears depending on NJ and CDC requirements. Please reach out to us with any questions and we hope to see you in person or on ZOOM soon!

Warmly,

Marisa

Kelsy Marsh

Kelsy is not only a talented artist and avid NJ Devil’s fan, but she also attends both our Day Habilitation and Ladies Night programs at JCC MetroWest. Kelsy has been attending our Special Needs Services programs for over 4 years and enjoys the different types of programs offered in our department. Kelsy shared that the programs at the JCC are fun and that her favorite part of both programs she attends is that she gets to hang out with friends. Kelsy explained that “when I first started the programs, I didn’t think I would make as many friends as I have made.” She went on to explain that her “favorite part of the Day Habilitation program is being able to hang out with a variety of different people while enjoying activities such as the Word of the Day and socially focused games.” In Ladies Night Kelsy shared that she really appreciates being in a group comprised of all women, as “sometimes it’s more comfortable discussing certain topics with female friends.”

Kelsy remarked that coming to the JCC programs are great because they “get me out of my house”—until this year! Unfortunately, our on-site programs closed due to the COVID-19 pandemic and Kelsy stated that she was “not happy when this happened.” However, she explained that “the virtual programs really helped me stay connected by seeing old friends and meeting new friends who joined the sessions.” Kelsy felt like the virtual programming moved the programs to her safely at home and connected her to her JCC community during strange and uncertain times.

Kelsy’s mother, Kamni shared that “Kelsy feels nurtured at the JCC, the staff is very intuitive and caring. She enjoys the variety of programs and eagerly awaits participating in them. Even in the pandemic, the opportunity to continue to meet virtually has been invaluable. She has made many new and lasting friendships.”

We feel so lucky to have Kelsy be a part of our JCC family. Kelsy’s experience exemplifies how our unique programs provide value far beyond its services; it connects individuals of all abilities to our community by creating a warm and friendly environment where participants feel welcome and have a place where they belong whether it’s in person or virtually.
Last year we found ourselves navigating unchartered territory with the COVID-19 Pandemic closing our on-site programs and forcing us to recreate our programs virtually. Staff from our Day Habilitation and evening programs continued to engage in programs on ZOOM technology and provided much needed consistency and connection for our participants. Our Day Habilitation program expanded its daily offerings throughout the year to 4 hours of interactive programming per day and our evening programs continued to engage our participants remotely as well. In October, we briefly opened our on-site Day Habilitation program for 6 weeks at a 25% capacity with all new safety protocols and procedures in place. While DDD shut down our programs as the holidays approached, we felt proud that we were able to safely welcome back participants to our building. We are very hopeful that all of our programs will resume on-site in the fall, but we feel so fortunate that we have been able stay connected with one another during such an uncertain time through technology.
We offer many inclusive children’s programs here at JCC MetroWest which can be found at www.jccmetrowest.org.

Please let us know which activities your child is interested in and we will work with you to provide the necessary supports. Our goal is to make all programs at JCC MetroWest inclusive whenever possible.

**Camp Deeny Riback (CDR)**

***Camp Friends Program***

*Approved Perform Care Provider through the Department of Children & Families*

Camp Deeny Riback is JCC MetroWest’s premiere summer day camp. It’s fully accredited by the American Camp Association (ACA), and is located on 35 beautiful, wooded acres in Flanders, NJ. Camp Deeny Riback offers inclusion opportunities through their Camp Friends program. Bussing, lunch, and snacks are provided.

Summer 2021: June 28–August 20, 9:00am–4:00pm

Pricing is dependent on number of weeks attended. A minimum of 4 weeks is required to participate in this program. An intake meeting is required for all new participants.

**CDR—Teen Travelers Unit** Ages 13–21

*Approved Perform Care Provider through the Department of Children & Families*

This 2-week teen program at CDR provides both the traditional day camp experience along with exciting day trips! It also provides lots of opportunities for the development of friendships and social skills. Teens spend days enjoying activities like swimming, crafts, sports, biking, boating, archery and more in addition to day trips to venues such as Six Flags, NJ State Fair, and the Jersey Shore. This unit is for teens and young adults with disabilities and is supervised by experienced professional staff. 5:1 Camper to Staff ratio is provided and an intake meeting is required for all new campers.

**Parent and Caregiver Support Groups** Find support and guidance as well as services and resources available in the community, network with other moms and learn how to better advocate. Groups take place in collaboration with both JFS MetroWest and JFS of Central NJ.

**Sibling Support Network** Siblings of children with disabilities join together for discussion, activities and games, engaging them to learn more about themselves and each other. Participants will have the opportunity to discuss the challenges, feelings and joys of being a sibling with peers, build coping skills, make friends and have fun! Programs take place in collaboration with both JFS MetroWest and JFS of Central NJ.

**MetroWest Madrichim Teen Advocate Training Program** During this 3-session course, teens will receive training to engage with and support children with disabilities in inclusive settings like religious school and recreational programs. Teens will have the ongoing support of a community professional throughout the year. Classes take place in the fall.

**Mental Health Awareness** Greater MetroWest ABLE provides training for both teens and adults through a variety of workshops.

- Mental Health First Aid 6-hour certification course
- Here.Now.GMW - Monthly Teen Group that includes teen-led in-person and online initiative promoting mental health awareness, well-being, and resilience through innovative content and creativity.

**Connecting Individuals with Disabilities, their Families and the Jewish Community**
